Women in Development High Tea with Sam Sheppard

Sam Sheppard is Director of The Buildmore Group, a winner of two Women in Development Excellence Awards, a mentor and the driving force behind the Women into Building Project.

When you meet Sam for the first time you can't help but feel inspired by her drive, commitment, never say die attitude and her positive outlook on life.

From juggling 3 jobs at the ripe old age of 11 and starting her first business at 17, Sam is now Director of The Buildmore Group, based on Queensland's Sunshine Coast.

In July 2009 Sam launched the Women into Building project, which is a home solely built by women in the development and construction arena. This project has provided amazing experience and job opportunities for women in the building industry.

Be on hand to hear Sam, one of the industry's 'must watch' members share her journey with you.
