

The road to success is always under construction

Successful people are always looking for opportunities to help others... Do you know someone who would benefit from UDIA (Qld) membership? If so, nominate their details on this card so that we can provide them with information to consider joining up. If a new membership results from this nomination, we would like to send you a bottle of wine as a token of our gratitude so please include your details. Thank you for taking the time to help grow the UDIA network.

My Details
