Dear Ms Chessher-Brown

Thank you for your letter of 12 December 2019 about the request from the Redland City Council (the council) for state interest review of the proposed Major Amendment Package (05/19): South West Victoria Point Local Plan (the proposed amendment).

The Department of State Development, Manufacturing, Infrastructure and Planning (the department) is currently undertaking the state interest review as a matter of priority and will continue to work proactively with the council in respect to matters of state interest.

I thank the Urban Development Institute of Australia for its interest in the proposed amendment and acknowledge that well-planned development in South West Victoria Point is consistent with the objectives of the South East Queensland Regional Plan 2017 (*ShapingSEQ*).

If you require any further information, please contact Mr Gareth Richardson, Manager, Planning and Development Services – South, in the department on (07) 5644 3213 or seqsouthplanning@dsgmip.qld.gov.au, who will be pleased to assist.

Yours sincerely
